

TOWN OF HUNTINGTON  
DEPARTMENT OF PARKS & RECREATION

May 2019

Dear Parent or Guardian:

Welcome to the Town of Huntington's Playground Camp. This recreation experience will consist of arts and crafts, sports, games, special events, and outdoor play. Please remember that no Medical/Accident Insurance is available through the Town of Huntington. No camper can attend the Playground Camp without the submission of the Playground Camp Medical/Emergency Form.

The Playground Camp Medical/Emergency Form must be submitted one month prior to the start of camp to the address listed on the last page of the form. To obtain the Medical/Emergency Form, you must either print your receipt or obtain the form from the Town's website under Parks & Recreation, Application & Forms/Playground Camp. Late forms could result in your child's removal from the camp.

In order to participate, children must be entering grades 1-8 as of September 2019. The Town reserves the right to remove children from the camp if they don't meet the grade requirement. **On the first day of the camp children will be placed into co-ed, age appropriate groups.** Requests to place children with friends will be considered the first day but is not guaranteed. Due to the formation of groups and the newness of the camp for children and staff, the first day can be hectic. Please be patient.

The camp includes snack time. Parents should supply their child with a healthy snack and drink each day. Children should wear appropriate clothing for outdoor play i.e. sneakers, shorts, etc. For safety reasons, please do not let your child wear sandals or crocs to the camp. Children should also apply sunscreen 15 minutes before going outdoors. The sunscreen container should specify a SPF of 30 or higher.

All children should arrive promptly at 9 AM. Campers are to be picked up promptly at 12 Noon. In order to ensure the safety of each camper, it is important that you walk your child to and from the child's group. The counselor will only dismiss a child to a parent or a person designated on the Camp Medical/Emergency Form.

If you have any concerns or questions, please communicate with the Director on the first day of the camp. Thank you for your cooperation and let's have a great summer.

This camp is required to have a permit issued by the New York State Health Department. The Suffolk County Health Department inspects the camp twice a year. The inspection reports are filed with the County of Suffolk Department of Health Services at 360 Yaphank Avenue, Suite 2A, Yaphank, NY 11980

Sincerely,

Robert Pendel  
Assistant Superintendent of Recreation II
